Privacy Policy for APAZ App **Last updated:** April 2025
Version: 1.0.0

1. Introduction Welcome to **APAZ**! Your privacy is critically important to us. This Privacy Policy explains how we collect, use, and protect your information when you use our mobile application ("App"). By using APAZ, you agree to this policy.

2. Information We Collect We collect only the minimal information necessary to provide you with a secure and personalized experience:
• **Account Information:** Email and display name (via Firebase Authentication)
• **Profile Photo:** Stored locally on your device only
• **Usage Data:** Chat font size, theme preferences, and language – saved locally
• **External Servers:** No personal data is sent to external servers except through Firebase Authentication

3. How We Use Your Information We use the collected information to:
• Provide and maintain the app's core functionality
• Personalize your user experience
• Improve app performance and reliability
• Respond to support requests when you contact us

4. Data Storage & Security Your privacy and data security are our top priority:
• Firebase Authentication is used for secure account access
• Local data (preferences, chats, profile photo) is stored securely on your device
• We do not use any third-party analytics or tracking tools
• No chat content is uploaded or analyzed externally

5. Offline Functionality APAZ is designed to work fully offline. Your chats, preferences, and data never leave your device.

6. Children's Privacy This app is **not intended for children under the age of 13**. We do not knowingly collect or store information from anyone under this age.

7. Changes to This Policy We may update this Privacy Policy periodically. You will be notified through the app whenever significant changes occur.
